EXPERIENCE

Mr. Yue has obtained the bachelor degree of public security technology in People's Public Security University of China and master degree of law in Renmin University of China. He has successively served in the Ministry of Public Security of the People's Republic of China and CITIC Group, and is now a partner of Hai Run Law Firm. Mr. Yue has rich judicial work experience and lawyer practice experience. He is good at corporate governance, shareholder dispute resolution, contract disputes, labor disputes and other corporate business, major and sensitive criminal-civil intersecting, criminal-civilian cases, as well as financial, technological, intellectual property, economics, criminal and work-related prosecution, defense, risk prevention and other criminal services.

Mr. Yue is serious and responsible, and has profound theoretical knowledge and rich practical experience. The cases he has undertaken have been highly recognized by clients. Since starting practice, he has been the perennial and special legal counsel for the head office of China Development Bank, State Grid, Sinopharm, China Nonferrous Metals, Red Star Macalline, etc., providing corporate governance, shareholder dispute resolution, major contract disputes, corporate criminal risk prevention and defense and other legal services for many listed companies and group companies in mainland China, Hong Kong, the United States.
